

# CIRCLE YOUR FAVORITE SEX POSITION

# NOW CIRCLE YOUR FAVORITE HIV PROTECTION

There are now more ways to protect yourself from HIV. Whether it's a pill a day (PrEP), an injection every 2 months (long-acting PrEP), a condom every time, or a mix (condom + a form of PrEP), what's important to know is that now you have more choices to continue having fun while enjoying peace of mind.

**Do it your Way. Do it Right.**
